The Program

Sidwell Garden was established in 2006 through a bequest by George and Virginia Sidwell.

Since that time, the Garden has provided the residents a place to gather with friends, tend their individual gardens and enjoy the tranquility of their natural surroundings.

We invite you to become part of Sidwell Garden's lasting legacy by purchasing a Memorial Brick.

These bricks will be in the garden and assure your loved one will have an enduring tribute within the Residences at Vantage Point community.
